Office of Admissions

December 25, 2023

A. Marisa Chun  
15 Montalvo Avenue  
San Francisco, California 94116

Dear Ms. Chun:

**Congratulations!** William Paik has been **Accepted** to St. Ignatius College Preparatory. Welcome to our school community! We congratulate John for the academic diligence that has made this success possible. The entire SI community pledges itself to your child's intellectual, spiritual and social development over the next four years. We look forward to your participation and cooperation in this endeavor.

**To reserve a place in the Class of 2027**, please click on the **Enroll at SI** button below and make a deposit of **\$1,500**. As a courtesy to those students on our waitlist, we ask that those who do not intend to register at SI indicate their intention by clicking on the Decline button below. **You must accept enrollment by 6:00 am PT on March 24, 2023 or the acceptance will be forfeited.**

John's **Acceptance** is based on his academic achievements and the gifts he will bring to the SI community. The online registration system will be available beginning on Monday, March 27, 2023, with additional information, important dates and course information. To access the online registration system, visit [www.siprepadmissions.org](http://www.siprepadmissions.org), using the username and password you used to apply. Registration must be completed by 8:00 am PT on Monday, April 3, 2023.

Tuition for the 2023-2024 academic year is \$31,225. The Business Office will have information on tuition payment plans and schedules in the online registration system. For families who applied for financial assistance, the Business Office has posted the Financial Assistance Committee's decision below. The ability to enroll or decline your decision will appear after you acknowledge your financial assistance details.

We had over 1,290 applicants apply to St. Ignatius College Preparatory for the Class of 2027. The Admissions Committee was fortunate to have so many qualified applicants to select from in this highly competitive applicant pool. We are excited to have John as a member of our talented Freshman class. John's acceptance is contingent upon his continued academic performance, good citizenship and successful completion of eighth grade at Grange Middle School. It is our intention to see that your student has the academic challenge and individual attention that have been a hallmark of Jesuit education. To this end, we are looking forward to working closely with you and John over the next four years. Once again, **congratulations!**

Sincerely,

Ms. Kristy Cahill Jacobson '98  
Director of Admissions
